Thank you for buying our asset!

This is a FREE DEMO for the full Steam VFX set. It includes 2 versions of the Steam VFX, in total 3 Prefabs, with one demonstrating the color changing properties of the Steam VFX as well.

Prefabs can be found under:
Assets\Lyrebird-Studio\VFX\Steam VFX DEMO

Naming Convention
Our naming convention for the prefabs can be described as follows.
"vfx_steam_medium_highP_a1"
1."vfx_" type of asset. (pref_: Prefab; mm_: Master Material, etc.)
2. "steam_medium_heigh" unique name, describing size and pressure level of steam
3. "a" material variation
4. "1" texture variation
